ACCEPTED

SECRETARY REPORT Minutes for the Oct 2, 2024 Club meeting were read
by KFØOCM-JARED, Secretary.

ACCEPTED

TRUSTEE REPORT KF9FJ-TIM Repeater Trustee stated

- Sometime soon Adam is upgrading the internet at his house to help with the reliability of the digital feed to the 105 repeater
- 075 still have some issues being worked on. weak C4FM can cause the repeater to get suck in digital mode.
- UHF repeater is still slated to be operational by Veterans day
- Working with the Ancient Modulators Club on getting their 6M repeater up and running by Veterans day as well.
- Also trying to increase the equipment fund to help cover any failures or repairs to our station or repeaters. Tim’s family hosted a bake sale in addition, and warned of the terrible buck-eyes.
-

ARES REPORT No ARES report

- Lori and John Visited Rock Community Headquarters off Telegraph to inspect their radio equipment. After testing their HF and 70cm radios, they discovered the antennas and feed lines would need to be replaced.

Ray's Corner

- Working with St Pius on building 2M yagi Antennas for education.
- Submitting an application to have a 10 minute conversation with the astronauts on the ISS. (Fall 2025)
- Gave a presentation on the Flex Radio- 6400
- Discount code (RaysCorner) for 1% off

NOHKK-JOHN

- Reminder to key up repeaters to make sure the FCC doesn't try and take those Frequencies away.
- Last week had CQWW Contest with pot luck, It was a fun event.
