

JCARC NEWS & UPDATES

July 9, 2026

Dear JCARC Members and Friends,

I hope everyone has been enjoying the recent stretch of cooler weather, even though we're expected to be back in the 90s today!

This is a reminder that our **July JCARC meeting** will be held **this Saturday, July 11, at 9:00 AM** in the conference room at **St. Clement Health Care Center, 300 Liguori Drive, Barnhart, MO 63012**. As you enter Liguori Drive, simply follow the club signs to the conference room.

If you're new to our club or haven't attended a meeting before, be sure to stop by our club radio shack, located just across the hall from the meeting room. We'd love to show you around.

Everyone with an interest in amateur radio is welcome, so feel free to bring a friend or family member. If you're not yet a club member, you can join our vibrant club during the meeting.

Don't forget about our **T.G.I.F. Net on Friday evening at 7:00 PM** on the **147.105 MHz C4FM repeater**. Stop by and say hello!

Aaron, NØAPT, has compiled a list of everyone who stopped by during Field Day. Whether you helped make contacts, prepared brunch, or simply enjoyed the fellowship, thank you! Aaron will give us a Field Day recap at Saturday's meeting, and I'll include the attendance list with this email.

We're looking forward to seeing a record turnout this Saturday!

73,

Gerry Patin, KB8QAV
